12 PROFESSIONAL EXPERIENCE {

13 "Snap Inc. | Snap Design Academy" Jun - Aug 2026

14 role: Design Scholar (Contract) Los Angeles, CA

15 + Led UX for Resources, a Snapchat concept connecting users with local support, taking it from an open

16 prompt to a functional prototype in a three-week cross-functional sprint.

17 + Conducted two rounds of partner research and feedback with S.P.Y. and St. Joseph Center; combined

18 findings with usability testing to refine hierarchy, privacy, and service handoffs.

19 + Redesigned a standalone hub into entry points across Snap Map, Search, Spotlight, and sharing;

20 presented the final prototype and design decisions to 300+ Snap employees.

21 "Plataforma Impact" Mar 2021 - Jan 2022

22 role: UX Intern Mexico City, Mexico (Remote)

23 + Designed website layouts and UI for a B2B specialty coffee brand in Figma and implemented front-end

24 updates, refining the work with senior designers on a remote team.

26 SELECTED PROJECTS {

27 "Pantri" Spring 2026

28 role: Lead UX / Product Designer

29 + Designed and built a React prototype that connects grocery purchases to meal plans, a digital pantry,

30 and recipes, using simulated purchase and freshness data.

31 + Conducted 13 in-store shopper interviews to shape the core flow around budgeting, produce selection,

32 substitutions, and changing shopping routines.

33 + Prototyped recovery paths for substitutions, quantity changes, and skipped meals so users could

34 adjust a weekly plan without starting over.

35 "Nibble" Summer 2026

36 role: Designer / Developer

37 + Designed and deployed an AI portfolio assistant that answers questions and opens relevant case

38 studies; handled 250+ visitor questions in its first four weeks.

39 + Designed conversational routing, context selection, and response states; Vercel reporting showed

40 project views per visit rising from 1.6 to 2.3 during the first four weeks after launch.
